BUY MORE, SAVE MORE, EARN MORE

At the end of the calendar year your Foundry purchases will be tallied, giving you a dollar total of every qualifying appliance, every elbow, every hearth pad, every can of paint, even every replacement part.

(Exclusions: True North, Town & Country, Camina & Schmid, Aurora Suspended Fires & Cookstoves Canada brands)

Hit a milestone target in purchases and receive the corresponding credit amount.

If you earn a 4% rebate, that's a 4% rebate not only on your appliances, but also 4% extra on every Skytech remote, Z-Flex coil, Stove Bright paint, Energex chimney fan...along with every other hearth accessory you purchase.

In February of 2027 we will issue credits based on the milestone surpassed.

Keep your eye on the milestone to maximize your rebate!!!
